Agreement

I have read and understand the following:

1. This is an online course which ends in February 2021.
2. Students are expected to provide for their own data, internet connectivity, and computer from which to work.
3. Lectures are held at a minimum of 4 hours per day from Monday to Friday and students are expected to attend all lectures.
4. Students are also expected to work outside of lecture hours and will be expected to prepare for assessments, do practical assignments, and conduct presentations to fellow students.
5. The course content remains the property of the JCSE.
6. Any personal information requested will be for the purpose of administration and support services during the term of the course and will not be distributed to third parties.
7. A completion bonus of R5 000-00 will be paid to students who successfully complete the course. Successful completion of the course means that students attend at least 80% of lectures, participate in all exercises requested by the trainer, and achieve a score of 70% in 90% of the assessments. Note that completion bonus is taxable.
